ABOUT GREEN PARK

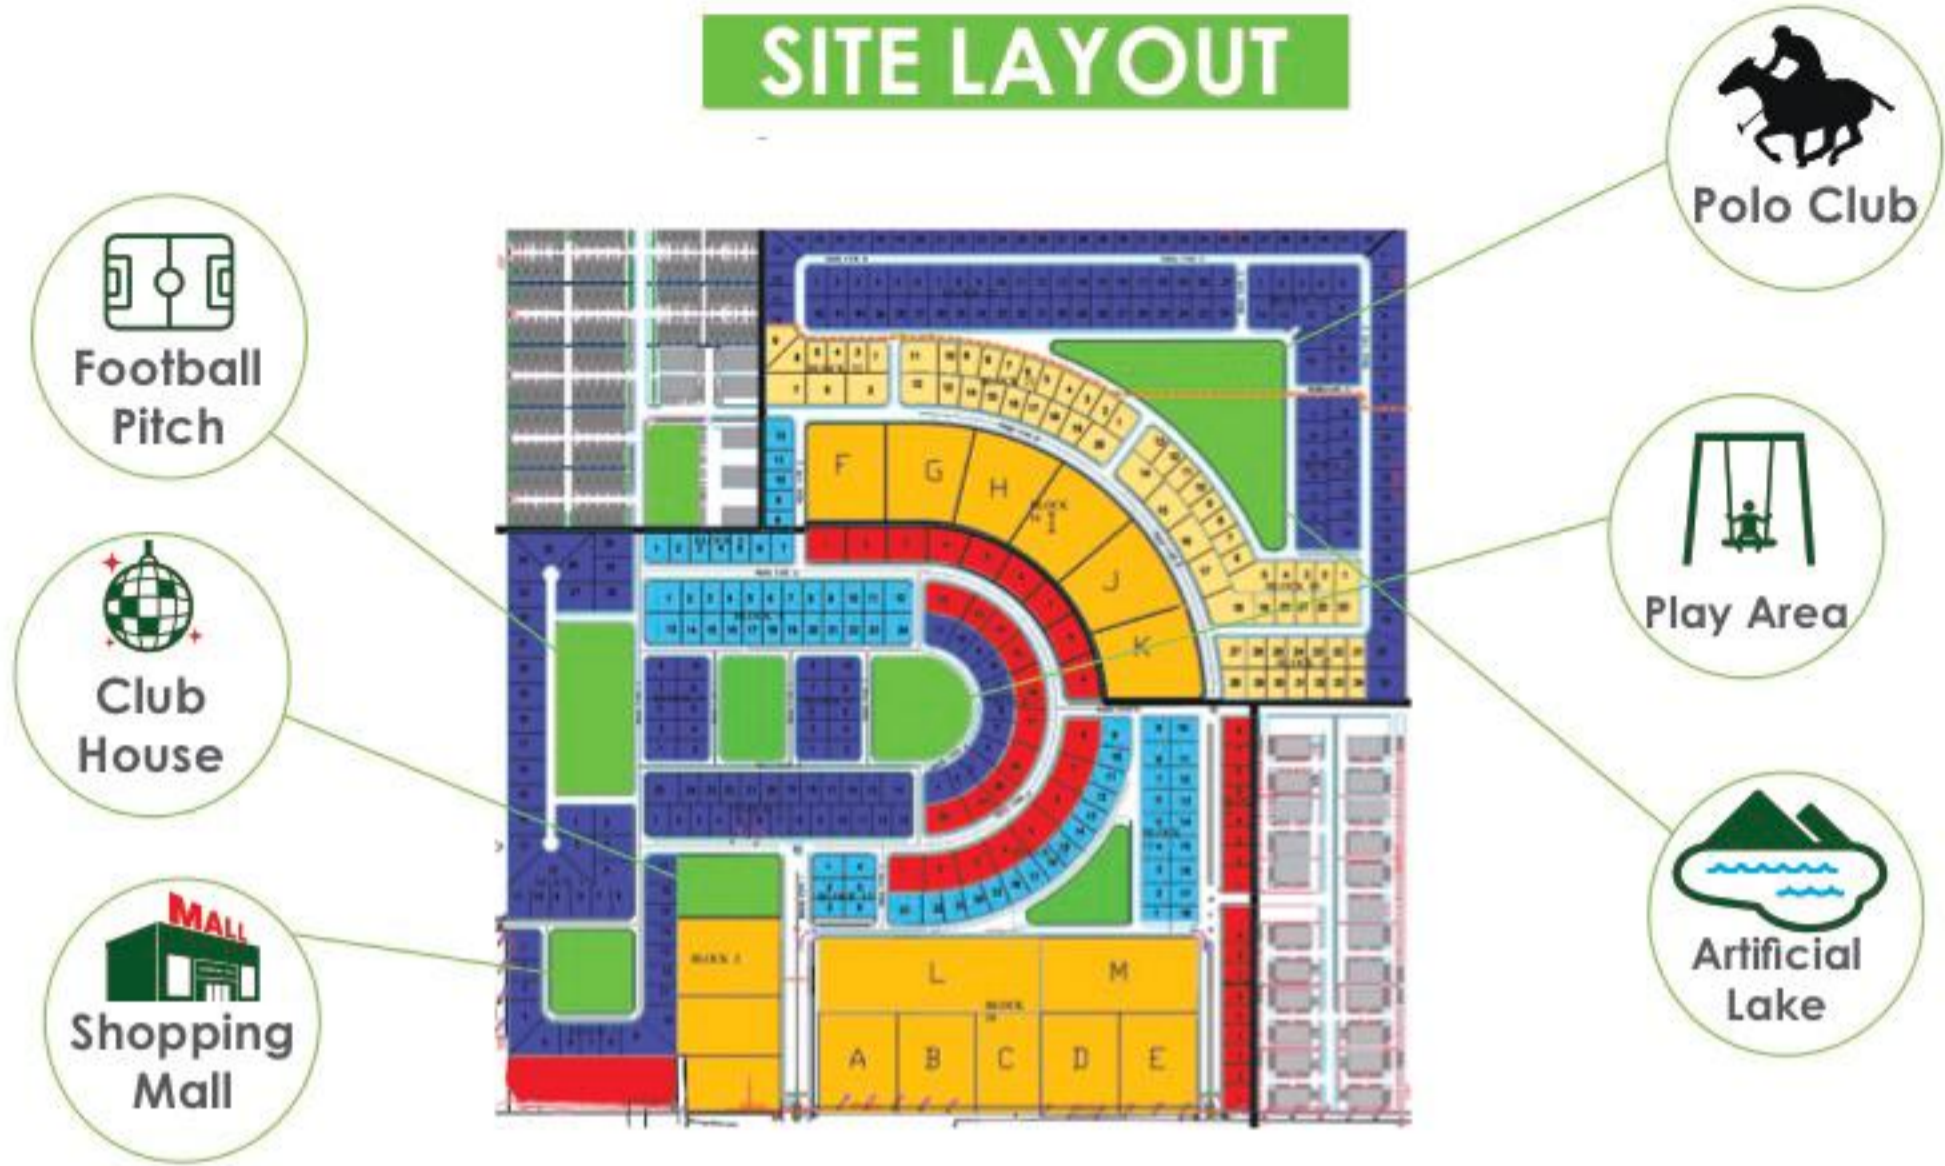

What will it feel like to own a land in Lekki without the whopping 10, 13, or 15 million naira price in your bank account? How will you feel if with as little as N500, 000 monthly over the next 30 months you can own a land and begin your home-ownership journey in Lekki today? Feels great, right? Begin your home ownership journey today with Green Park Estate, a once in a life-time opportunity to invest in the fast-growing Lekki-Epe corridor.

Investing in Green Park Estate today is investing in your dream neighbourhood. When others offer you great return on investment, quality infrastructure and genuine C of O; Green Park Estate offers you all, including an unrivalled payment plan as low as N500,000 monthly and a neighbourhood deliberately designed for your comfort, safety and security. So Green Park Estate is not just about buying Real Estate, it's about investing in an estate that suits your lifestyle, your budget and your future home ownership plan.

Green Park Estate is a collaboration between IBILE Holdings – the investment arm of Lagos State Government - and Alpha Mead Development Company (AMDC) - Nigeria's first Real Estate Company certified to international standards (ISO 9001:2015) by the United Kingdom Accreditation Services (UKAS) and a Strategic Business Unit of leading Real Estate Solutions Company, Alpha Mead Group.
